Classic bathroom drain glued fl. DN 70, vertical, Slotted grating, K 3

Article information<br>Item no.: 40270.90<br>GTIN: 4026092029558<br>Price group: 10<br>\section*{Advantages}<br>- Odour trap height: 50 mm<br>- Lip seal fixed on the drain body<br>- System 100 - modular design

## Description

The Classic bathroom drain is suitable for indoor floor drainage. The drain made of ABS is equipped with a telescopic, height-adjustable upper section made of polymer, a removable odour trap as well as a secure, reliably installed seal. Including glued flange and mating flange for clamping PVC sheeting (vapour barriers) or for alternative waterproofing layers (additional honeycomb fabric required).
